25X1B4d 1. The emergency program for [REDACTED] Command (DPS 146-52) is nearing completion. It has been a most successful operation, resulting in the acquisition of [REDACTED] of interest not only to CIA but to other intelligence agencies as well.

25X1B4d 2. [REDACTED] has throughout received the most helpful cooperation and support from your Office. Much of its success is due to the day-to-day practical assistance extended both by the Area Division in Washington and by all your units in the [REDACTED]

25X1A9a 3. We particularly wish to express our appreciation of the consideration shown for this program by [REDACTED] the Senior Representative in [REDACTED]. Without his interest, and without the excellent administrative and logistic support of DPS, and of [REDACTED] the operation could never have been carried out, and a large body of valuable information would have been permanently lost to the intelligence community.
